## Koala Competition

In last week's newsletter you would have seen a lovely photo of the new female koala outside the library. This week, we are holding a competition to name the new koala. The big koala that lives in the trees near Prep and Year 1 is called Sleepy. Can you think of a good name for the new girl?

I wrote to Mrs Ross in Ormiston Scotland and invited her children to think of a name as well. If you would like to enter the competition please fill out the sheet below and hand it in to the library by this Friday. The winning name will receive a prize. Hand your entry into the library.
